The AUT Code Governance Group formed in 2020 continues to meet monthly and provides formal oversight of the AUT's quality assurance of the Code, its Principles, and Outcomes. Membership includes representation from the student body – AUTSA, Faculties, Student Services and other AUT nominated representatives.

The Code of Practice 2021 lists outcomes and processes that the University must have in place to fulfil the requirements of the Code. Every year, a review of the Code is coordinated by the Assurance Manager of Code for Pastoral Care that asks staff representatives from across the University for evidence that these processes are in place.
